How is UZIO Different?

UZIO, a key partner for the cannabis industry, offers an intuitive feature-rich self-service portal, and a one-stop-shop for all your HR, Benefits, Payroll, and time tracking needs. Our mission is to provide an innovative solution designed specifically for the unique needs of the cannabis industry at the most competitive and disruptive price point possible, with the best service and support in the industry.

Payroll

Hassle-free, efficient, accurate & automated management and processing of employee pay-cycle and tax filings. Superlative features like Tax administration, unlimited payrolls, direct deposits, enhanced reporting makes your online payroll processing friction-less.

Time Tracking & Scheduling

UZIO Time Tracking & Scheduling solution helps you manage timesheets, employee geofencing, create and publish shifts, easy manager approvals, and above all syncs with payroll making your monthly payroll efforts painless.

HRIS

Our fully integrated, enterprise-ready HRIS platform automates all processes like onboarding, offboarding, employee documentation etc. to effectively manage human resources in the organization. Our hassle-free digital platform easily syncs with the payroll module to make your life easier.

Benefits

Manage all your company's benefit offerings in one place. Your employees can make diligent choices as per their individual requirements. Help your team stay healthy and happy.
